(Virtual Event) International Conference on the Management of Naturally Occurring Radioactive Materials (NORM) in Industry

19-30 October 2020

The following information is for officially registered participants and registered observers. If you are not an officially registered participant or you have not registered as an observer and would like to take part in this virtual event, please see the Announcement on the conference website for details on how to do so.

Conference App:	Approximately one week prior to the start of the conference participants will receive an e-mail inviting them to register for the **IAEA Conference and Meetings App**. The app is desktop compatible (for personal computers and laptops) and smart phone compatible. A link to the desktop version of the app will be included in your registration e-mail. For smart phones the application can be downloaded in advance and free of charge via the App Store or Google Play.
	Via the app participants will be able to access the various virtual conference sessions and exhibitions and message other participants who are taking part in the conference. The latest conference programme, list of participants, virtual presentations, posters and all abstracts will also be available to view. Participants are encouraged to actively participate in conference sessions by answering polls and submitting questions via the app.
Opening Plenary:	Monday, 19 October 2020, 14:00-15:10 (CET)
Closing Plenary:	Friday, 30 October 2020, 14:00 – 17:00 (CET)
Conference Material:	A tentative programme overview is available on the conference website. The final programme will be uploaded to the conference app prior to the start of the conference.
Conference Website:	Please visit the conference web site regularly for updated logistical information: https://www.iaea.org/events/norm-2020
Cancellations:	In case you need to cancel your registration, please inform us via email: Conference.Contact-Point@iaea.org
