# IAEA Support to Member State Efforts in Addressing the COVID-19 Pandemic

## Progress Update

## Corrigendum

In paragraph 23, on page 6, the figure ‘€27.1 million’ in the text and infographic should be changed to the figure ‘€26.3 million’ as follows:

“Member States and the private sector provided generous extrabudgetary funding totalling €26.3 million to support the Agency’s COVID-19 related activities (see Annex 2).”
