Conference App: A mobile conference application (app) for smart phones will be available for the conference: Please download the **IAEA Conference and Meetings App** from the App store, free of charge. Via this app participants will be able to view the latest programme, all abstracts, the list of participants, message other participants, and view PowerPoint presentations released after the event. Participants will receive an email inviting them to register for the app approximately one week before the symposium.

Conference Material: A tentative programme overview will shortly be available on the event web site and a final version will be uploaded prior to the start of the event.

COVID-19 Provisions: Participants must follow the latest guidelines with regards to COVID-19 and ensure that they meet the criteria for posing a low epidemiological risk as defined by the Host Country legislation. In this regard, by swiping their grounds pass/badge, meeting participants entering the VIC declare that they possess valid documentation meeting one or more of these criteria. Please find here the up-to-date information on the COVID-19 situation in Austria and related entry requirements.

Hotel Accommodation: Participants must make their own travel and hotel arrangements. Hotels which are offering a reduced rate for the conference are listed on www.iaea.org/events and on the event web site.

Please book your accommodation early as there might be a shortage of hotel rooms in Vienna in following months.

Please note that the IAEA is not in a position to assist participants with hotel bookings, nor can the IAEA assume responsibility for paying cancellation fees or for re-bookings and no shows.

Visa: If participants require a visa to enter Austria please follow the information provided on www.iaea.org/events.

Internet Access: Wireless internet access is available throughout the conference premises.
