

## **Dr Melanie Windridge**

Founder and CEO,  
Fusion Energy Insights

### **Biography**

Dr Melanie Windridge is a specialist in fusion energy who helps people see the value and opportunities of fusion. Melanie is the founder and CEO of Fusion Energy Insights, which keeps people up to date with developments in the growing fusion industry, and a co-founder of FusionXInvest. She has a PhD in plasma physics (fusion energy) from Imperial College London, and she sits on the Advisory Boards of the UK Fusion Cluster, London GreenCity (an accelerator of post-startup clean technology entrepreneurs) and the US non-profit Energy for the Common Good.

Melanie was previously UK Director of the Fusion Industry Association. In 2022 she was elected a Fellow of the Clean Growth Leadership Network. Melanie is the author of *Aurora: In Search of the Northern Lights* and *Star Chambers: the race for fusion power*, as well as writing for Forbes online.
