

## Creating the Future Global Nuclear Workforce through Exchange and Practice: Lise Meitner Programme and Beyond

Side Event during the 68th IAEA General Conference  
18 September 2024, 11:00 – 12:00, CR M6, M building, Ground floor

Preparing for the clean energy world of tomorrow means training the next generation of professionals today. With its robust suite of capacity building initiatives, the IAEA stands ready to assist. This event will showcase programmes contributing to the development of the future nuclear workforce, including advisory services, training courses and the Lise Meitner Programme. The Open-source Nuclear Codes for Reactor Analysis (ONCORE) collaboration framework for simulation tools will also be in focus as success stories for these and other initiatives are shared.

**Scientific Secretaries:** Pedro Dieguez Porras, IAEA Department of Nuclear Energy  
Alexei Miassoedov, IAEA Department of Nuclear Energy  
Maria Naydenova, IAEA Department of Nuclear Energy

# Creating the Future Global Nuclear Workforce through Exchange and Practice: Lise Meitner Programme and Beyond

Side Event during the 68th IAEA General Conference  
18 September 2024, 11:00 – 12:00, CR M6, M building, Ground floor

## Event Programme

Opening Address	Mr Mikhail Chudakov Deputy Director General, Head of the IAEA Department of Nuclear Energy
Speakers	Mr John Roberts Knowledge Management Specialist, Nuclear Knowledge Management Section, IAEA
	Ms Michaela Ovanes Knowledge Management Specialist, Nuclear Knowledge Management Section, IAEA Department of Nuclear Energy
	Ms Helena Zhivitskaya Knowledge Management Specialist, Nuclear Knowledge Management Section, IAEA Department of Nuclear Energy
	Mr Ashok Ganesan Knowledge Management Specialist, Nuclear Knowledge Management Section, IAEA Department of Nuclear Energy
	Mr Alexei Miassoedov Nuclear Engineer, Nuclear Power Technology Development Section, IAEA Department of Nuclear Energy
	Ms Maria Naydenova Project Manager (MSCFP), IAEA Department of Nuclear Energy
Moderator	Mr Pedro Dieguez Porras Head of the Nuclear Knowledge Management Section, IAEA Department of Nuclear Energy
Closing Remarks	Mr Wei Huang Director, Planning, Information and Knowledge Management Division, IAEA Department of Nuclear Energy
