

China Side Event

Radiation Technology for a Better Home

 **Time:**
18:00-20:00 April 8, 2025

 **Place:**
Board Room A, Vienna, Austria

Organizer : China Atomic Energy Authority (CAEA)
Co-organizer : China Isotope & Radiation Association (CIRA)
China Isotope & Radiation Corporation (CIRC)

AGENDA:

Opening Remarks and Signing Ceremony

18:00-18:20 Opening Remarks & Signing Ceremony(TBD)

Presentations

18:20-18:28 Recent Progress in Applied Radiation Sciences: From Research to Application

18:28-18:36 Innovation of Electron Accelerator and Applications

18:36-18:44 Irradiation Application in Food and Agriculture in China

18:44-18:52 Precise Control and Application of Electron Beam in Irradiation Processing

18:52-19:00 Radiation Detection Chip Enables Intelligent Terminals

19:00-19:30 Discussion

19:30-20:00 Reception

Welcome to attend China Side Event!
We have prepared gifts and invite you to
join us for a discussion and buffet reception!
