

Ms Kirsty Gogan

Founding Director and Co-CEO, Terra
Praxis, United Kingdom

Biography

Ms Gogan is a globally recognized strategic advisor on nuclear energy, hydrogen, and deep decarbonization. She co-founded Terra Praxis and LucidCatalyst, organizations driving scalable, market-based clean energy solutions. A long-standing member of the UK Government's Nuclear Innovation Research and Advisory Board, she also serves on advisory boards for the US and French nuclear sectors. Her previous roles in the UK Government include key positions in energy policy, public engagement, and nuclear security.
