

Technical Cooperation Support to Least Developed Countries (LDCs) and Small Island Developing States (SIDS)

Priority areas of support requested by SIDS outlined in Country Programme Frameworks (2017-2027)

Investing in people from LDCs in 2023

422 Fellows
523 Trainees
5 Experts

In 2023, The TC programme supported:

35 Least Developed Countries
30 Landlocked Developing Countries
26 Small Island Developing States

Flagship Initiatives

Atoms4Food

Helping countries boost food security and tackle growing hunger using nuclear techniques.

NUTEC Plastics

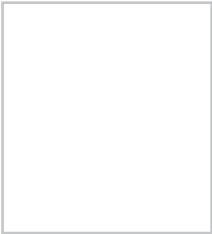

Addressing the global challenge of plastic pollution through recycling and marine monitoring.

Rays of Hope

Increasing access to safe and secure radiotherapy and diagnostic imaging.

ZODIAC

Strengthening preparedness to detect and respond to zoonotic disease outbreaks.
