

Mr Krisanat Chuamsaamarkkee, Lecturer, Medical Physicist at Ramathibodi Hospital, Mahidol University, Anchor Centre, Thailand

Dr. Krisanat Chuamsaamarkkee is an Associate Professor and nuclear medicine physicist at the Faculty of Medicine Ramathibodi Hospital, Mahidol University, Thailand. He earned his Ph.D. from King's College London, where he focused on small-animal SPECT/CT and PET/CT systems and human-equivalent dosimetry.

His expertise spans internal dosimetry, radiation protection, and therapeutic nuclear medicine, with recent work centred on dosimetry for radioactive iodine and Lu-177 therapies. Dr. Krisanat actively contributes to international scientific panels on internal dosimetry, therapeutic nuclear medicine, and radiation protection.
