

Mr Mayank Anand, Head of Non-Communicable Diseases and Maternal, Newborn and Child Health, MedAccess

Mr Anand is Head of Non-Communicable Diseases (NCDs) and Maternal, Newborn and Child Health (MNCH) within the Health Investments team at MedAccess.

Before MedAccess, Mr Anand served as a Manager with Bain & Company in London. Prior to this, he worked with the Clinton Health Access Initiative in India to strengthen health systems and shape markets across tuberculosis, malnutrition, and maternal health products. He also worked with the Boston Consulting Group in Dubai and PwC in India as a management consultant.

Mr Anand holds a Bachelor of Arts Degree in Economics from Hansraj College, University of Delhi, India, and an MBA from INSEAD, France.
