

**Mr Tolulope Adewole, Managing Director and CEO,
Nigerian Sovereign Investment Authority**

Dr. Tolulope Adewole is the Chief Executive Officer of MedServe and a healthcare expert with over 20 years of diverse experience, spanning clinical practice, healthcare management, and executive leadership.

Dr. Adewole serves on multiple healthcare boards and national advisory bodies, including the Federal Ministry of Health's Working Group on Nuclear Medicine. A member of American Diagnostic and Laboratory Medicine and the American Association of Clinical Oncologists, he is recognized for advancing healthcare quality, access, and financing across Nigeria.

In 2025, Dr. Adewole was nominated as a Member of the National Technical Working Group on Nuclear Medicine in Nigeria, an advisory body established by the Federal Ministry of Health and Social Welfare to guide the implementation and expansion of nuclear medicine services across the country.
