

**Mr Vedang Murthy, Professor and Radiation Oncologist,
Tata Memorial Hospital, Anchor Centre, India**

Dr Vedang Murthy is a professor and radiation oncologist at Tata Memorial Hospital, Mumbai, India. His clinical and research focus is on urological cancers, with expertise in high-precision techniques, including Image-Guided and Adaptive Radiotherapy.

Trained at the Tata Memorial Hospital and The Royal Marsden NHS Foundation Trust in London, Dr Murthy also holds a diploma in epidemiology and biostatistics from the London School of Hygiene & Tropical Medicine. He has authored over 250 publications in international peer-reviewed journals.

As Convenor of Uro-Oncology at Tata, he leads multiple investigator-initiated trials, including randomized controlled studies in prostate and bladder cancer.
