

**Ms Sadaf Tufail Butt, Radiologist and Nuclear Physician,  
Nuclear Medicine, Oncology & Radiotherapy Institute  
(AECH-NORI), Anchor Centre Pakistan**

Ms Sadaf Tufail Butt is a dual-certified imaging consultant, qualified as both a radiologist and a nuclear physician. She currently serves as In-Charge of the Radiology Department at the Atomic Energy Cancer Hospital – Nuclear Medicine, Oncology & Radiotherapy Institute (AECH-NORI), Islamabad.

Ms Tufail Butt has extensive experience in oncology imaging and image-guided procedures. She is committed to strengthening imaging infrastructure, advancing quality assurance, and supporting the integration of imaging in multidisciplinary cancer care—particularly in low- and middle-income settings.
