

INPRO 25th Anniversary

Tuesday, 16 September 2025

4.00 p.m. to 5.00 p.m.

Conference Room M4, M Building, ground floor

The International Project on Innovative Nuclear Reactors and Fuel Cycles (INPRO) is celebrating its 25th anniversary this year. INPRO's accomplishments will be presented with a focus on the last few years that saw the consolidation of INPRO tools into an IAEA advisory service. INPRO members will be invited to present their own experiences with INPRO and their plans for future engagements.

Scientific Secretary:

Ms Carolynn Scherer, IAEA Department of Nuclear Energy
