

Mr Mohamed CBC Diatta

Senegal's Sherpa for 2026 UN Water Conference
Ministry of Water and Sanitation Senegal

Mr Mohamed Diatta is Senegal's Sherpa for the 2026 United Nations Water Conference and Special Advisor on Water and Sanitation to the Minister of Water and Sanitation of Senegal. He is an international expert in water governance and hydro-diplomacy, having served as Scientific and Technical Coordinator of the 9th World Water Forum in Dakar and led Senegal's contributions to the 2023 UN Water Conference. He is actively engaged in shaping the Africa Water Vision 2026–2063, with the African Union declaring 2026 the Year of Water in Africa. His work highlights water and sanitation as both a human right and a driver of peace, security, sustainable development and climate resilience.
