

Ms Lina Escobar-Rangel

Senior Energy Specialist
Interamerican Development Bank

Ms Lina Escobar-Rangel is a Senior Energy Specialist in the Energy Division at the Inter-American Development Bank (IDB), based in Lima, Peru. She previously served as Deputy Director of Demand at the Mining and Energy Planning Unit and as an advisor at the Energy and Gas Regulatory Commission in Colombia. She holds a PhD in Economics from the Paris School of Mines, focused on nuclear energy, and a Master's in Economics from the Toulouse School of Economics. Her work centers on electricity market design and public policy for the energy transition.
