FOR  
WATER

**Mr David Farrell**

Principal

The Caribbean Institute for Meteorology and Hydrology, Barbados

Mr David Farrell has been Principal of the Caribbean Institute for Meteorology and Hydrology (CIMH) since 2006, leading regional efforts to strengthen training, expand observation networks and establish WMO-designated climate centres. With over 30 years of experience in hydrogeology and geophysics, he has advanced water resources research and built international collaborations, including with the IAEA.
