**Mr Winston Yu**  
Water Practice Manager  
World Bank

Mr Winston Yu is the Water Practice Manager for the Europe and Central Asia Region at the World Bank, where he has worked since 2005 on water-related projects across Asia, Eastern Europe, Central Asia and Africa. His expertise encompasses river basin management, hydrologic modelling, flood forecasting, transboundary water governance, irrigation modernization, water institutions and climate change adaptation. Prior to joining the Bank, he was a Senior Researcher at the Stockholm Environment Institute, a Science Officer at the US Department of State focusing on Middle East water issues and an Adjunct Professor at Johns Hopkins University's School of Advanced International Studies. Yu holds a PhD in environmental science and engineering from Harvard University.
