

### TCAP Group Activities

#### ARASIA Training Courses

January – December 2015

Project Code	Title of Event	Venue	Dates
RAS6078	Advance Regional Training course on Nuclear Oncology using SPECT/CT and PET/CT	UAE	22-26 Feb.
RAS6078	Regional Training course on Nuclear Cardiology using SPECT/CT and PET/CT	UAE	3-7 May
RAS5068	Regional Training Course on Nitrogen Management Using Isotopic Techniques	SEIB/AUS	4-15 May
RAS5063	Improving the Reproductive and Productive Performance of Local Small Ruminates by Implementing Reliable Artificial Insemination Programmes	ITA	22-26 Jun.
RAS6075	Regional Training Course on Principles and Practice of Pediatric Nuclear Medicine and Application of Radionuclide Techniques in Pediatric Nephron- Urology Practice and Role of SPECT/CT and PET/CT in Pediatric Oncology, including Therapeutic Applications	SRL	20-24 Jul.
RAS7025	Regional Training Course on Application of Mathematical Models for the Transport of NORM & Trace Elements in the Marine Environment	JOR	3-7 Aug.
RAS7027	Regional Training Course on Data Interpretation in Isotope Hydrology	JOR	16-20 Aug.
RAS6078	Regional Training Course in Hospital Radiochemistry/Radio pharmacy Preparation and QC/QA in Nuclear Medicine	QAT	23-27 Aug.
RAS6079	Regional Training Course on the Role of Hybrid Imaging Technologies in Nuclear Oncology	MYA	20-24 Sept.
RAS5058	Regional Training Course on Mutation Breeding, Phenotyping and Genotyping of Mutants for Abiotic Stresses in Cereals	AUS	5-16 Oct.
RAS5068	Regional Training Course on Evaluation of Different Types of Mulching Materials and its Applicability	JOR	4-8 Oct.
RAS6078	Regional Training Course on Radiation Safety, Quality Assurance and Quality Control in Nuclear Medicine Hybrid Imaging Technology	QAT	18-22 Oct.
RAS6079	Regional Training Course on Hybrid Imaging in Nuclear Oncology Advanced Applications	THA	7-11 Dec.
