

### TCAP Group Activities

#### Non-Agreement Regional Training Courses

January-December 2015

Project Code	Title of Event	Venue	Dates
RAS9071	Regional Workshop on Management Options for Disused Sealed Radioactive Sources of Category 3-5, including a Practical Demonstration of Conditioning Procedures in Quezon City	PHI	23-27 Feb.
RAS5069	Training Course on Applications of Isotope and Geochemical Techniques in Flood risk Mitigation	THA	23-27 Feb.
RAS9062	Training Course for Radiation Safety Reviewers in Integrated Regulatory Review Services	AUS	7-10 Apr.
RAS6073	Regional Training Course on Data Management, Analysis and Interpretation for Human Milk Assessment.	INS	13-17 Apr.
RAS6080	Regional Training Course on Assessment of Body Composition and Physical Activity	PHI	20-24 Apr.
RAS5069	Training Course on Using FRN/CSSI to Assess Soil and Land Degradation Affected by Flooding	CPR	4-15 May
RAS9069	Regional Training Course on Environmental Monitoring of Radionuclides and Assessment of Exposures to the Public	CPR	18-22 May
RAS2015	School of Nuclear Energy Management	UAE	17-28 May
RAS6074	Use of Nuclear Medicine Techniques in the Treatment of Thyroid Diseases: Basic and Emerging Practices	CPR	1-5 Jun.
RAS2016	Regional Course on Providing Decision Support for Nuclear Power Planning and Development	JPN	1-12 Jun.
RAS5069	Training Course on Early Detection of Animal Diseases in Post Flood Environment, with Emphasis on Vector Borne Diseases	SEIB/AUS	15-26 Jun.
RAS2006	Walk-down Hands-on Inspector Training for Regulatory Bodies Using the Zwentendorf Nuclear Power Plant	AUS	15-26 Jun.
RAS5065	Training Course on Climate Proofing Resilient rice using Nuclear Techniques in Plant Mutation Breeding and Soil and Water Management	PHI	1-17 Jul.
RAS9071	Regional Training Course on Record Keeping and Quality Management	JOR	27 Sept.-1 Oct.

Project Code	Title of Event	Venue	Dates
RAS5069	Training Course on Plant Mutation Induction and Detection Methods Applied in Flood Risk Mitigation and Post-Flood Management	MAL	26 Oct.- 6 Nov.
RAS5066	Training course on Dengue Vectors Surveillance Identification and Virus Detection	SIN	16-20 Nov.
RAS5067	Regional Training Course on Pest Risk Analysis and International Standards for Phytosanitary Measures	AUL	16-20 Nov.
RAS6074	Regional Training Course on Molecular Imaging (SPECT/CT and PET/CT) and the Use of Peptide Receptor Radionuclide Therapy for Neuro Endocrine Tumors	JOR	22-26 Nov.
