

# Atoms for Peace and Development:

## The IAEA and the Post-2015 Sustainable Development Goals

Panel discussion opened by  
**Mr Yukiya Amano,**  
Director General, IAEA

**Tuesday 15 September 2015**  
**14:30-16:30, Room C3,**  
**C Building, 7th floor**

The side event, hosted by the Department of Technical Cooperation, will explore the relationship between IAEA's development activities and the sustainable development goals, as well as the role of science, technology and innovation in socioeconomic development.

An interactive panel discussion will be moderated by Ms Ana Raffo-Caiado, Director of the Division of Programme Support and Coordination in the IAEA Department of Technical Cooperation, followed by an opportunity for questions and answers.

**Opened by Mr Yukiya Amano, Director General, IAEA**

**Invited speakers:**
