#### Report of the Programme, Technical and Budget Committee

Reporteur: Dr. Pawel NOWACKI (Poland)

1. At its thirty-second meeting on 29 September 1960 the Committee took up item 13 of the agenda - Scale of Members' contributions for 1961. It had before it two documents on this subject. The first was a memorandum by the Director General (GC(IV)/124) explaining why he considered it necessary to delay the submission of a suggested scale until an appropriate time during the session. In the second (GC(IV)/COM.1/49) the Director General submitted, within the framework of a draft resolution, a suggested scale based on the Agency's membership as at 26 September 1960.
2. The Committee, by 38 votes in favor, none against and with no abstentions, approved the action proposed by the Director General in document GC(IV)/COM.1/49, and accordingly recommends for adoption by the General Conference the following draft resolution.
