GC(XXVI)/674

COMMITTEE OF THE WHOLE

THE FINANCING OF TECHNICAL ASSISTANCE .

Draft resolution submitted by Belgium

The General Conference,

Considering that the Board of Governors should have a greater amount of information at its disposal with regard to the voluntary contributions to the Technical Assistance and Co-operation Fund and should be in a position to adopt measures to ensure that the amount to be amassed during the year under consideration does in fact attain the target fixed,

Decides to amend and add to paragraph 2 of resolution GC(XV)/RES/286 as follows:

"Invites such Members to make voluntary contributions to the Technical Assistance and Co-operation Fund each year in amounts that are at least the same percentages of the target for the year as are their respective base rates of assessment provided for in sub-paragraph (b) of the operative paragraph of resolution GC(XV)/RES/283;

"Requests the Director General to consult with Member States on the voluntary contributions that they intend in effect to make during the coming financial year and to report to the Board of Governors so that it can determine any action required in order to reach the target fixed for the year under consideration;" and
