Thirty-fourth regular session  
Item 17 of the provisional agenda  
(GC(XXXIV)/914)

## AMENDMENT OF ARTICLE VI.A.2 OF THE STATUTE

### Report by the Board of Governors

1. In resolution GC(XXXIII)/RES/522, the General Conference last year requested the Board of Governors "to continue to conduct consultations with Member States and to submit its observations and recommendations on proposed amendments regarding this matter for approval by the General Conference at its thirty-fourth regular session".
2. The Board, at its meeting following the Conference's session, agreed that the Chairman would undertake consultations on its behalf and report to it at an appropriate time, taking into account the relevant, though separate, discussions in the informal working group on the revision of Article VI of the Statute as a whole<sup>1/</sup>.
3. The Board discussed the matter last week in the light of a report by the Chairman on his consultations and also taking into account the report of the informal working group on the revision of Article VI of the Statute<sup>2/</sup>. As there seemed to have been no new developments since the 1989 regular session of the General Conference the Board agreed that the summary record of its discussion under the item "Amendment of Article VI.A.2 of the Statute" should be transmitted to the General Conference for consideration at its thirty-fourth regular session.
4. The summary record of the Board's discussion on 13 September 1990 will be issued in an Addendum to the present document.

<sup>1/</sup> Re-established pursuant to General Conference resolution GC(XXXIII)/RES/523.
