TEXT OF COMMUNICATION OF 28 SEPTEMBER 1999 RECEIVED FROM THE PERMANENT MISSION OF IRAQ TO THE INTERNATIONAL ATOMIC ENERGY AGENCY

The text of a letter dated 28 September 1999 submitted by the Permanent Mission of Iraq is reproduced for the attention of the General Conference.

“The Permanent Mission of the Republic of Iraq to the IAEA presents its compliments to the Secretariat of the (43) General Conference of the IAEA and has the honour to enclose herewith a document on the radiation effects of depleted uranium bullets used during the military aggression against Iraq with a request to circulate this document as an official document to the member states of the General Conference of the IAEA 43rd session”.

For reasons of economy, this document has been printed in a limited number.
Delegates are kindly requested to bring their copies of documents to meetings.
