

International Atomic Energy Agency

INFORMATION CIRCULAR

INFCIRC/1/Rev. 6
10 September 1973

GENERAL Distr.

Original: ENGLISH

INFORMATION CIRCULARS

1. Information circulars are published from time to time under the symbol INFCIRC/..... for the purpose of bringing matters of general interest to the attention of all Members of the Agency.
2. A subject index to the circulars is presented overleaf. It covers all those published in the last five years (that is, since the beginning of 1968 and ending with INFCIRC/192)¹, as well as others which, for one reason or another, are still considered to be of current rather than merely historical interest. Such circulars can be traced by reference to the indexes that were included in earlier revisions of the present document.

¹ With one or two exceptions; in particular, when a circular has been revised within this period, only the latest revision is covered.
