## SUPPLEMENTARY SUPPLY AGREEMENT

SUPPLEMENTARY CONTRACT FOR THE TRANSFER TO THE  
DEMOCRATIC REPUBLIC OF THE CONGO OF ENRICHED  
URANIUM CONTAINED IN A FISSION CHAMBER

The International Atomic Energy Agency (hereinafter called the "Agency"), the Government of the Democratic Republic of the Congo (hereinafter called the "Congo"), and the United States Atomic Energy Commission (hereinafter called the "Commission"), acting on behalf of the Government of the United States of America, hereby agree as follows:

Section 1. In addition to the fuel material and indicator material transferred pursuant to the Contract for the Transfer of Enriched Uranium for a Research Reactor signed in Vienna on 27 June, 1962, as amended [ 3 ], the Commission shall transfer to the Agency and the Agency shall accept from the Commission approximately 1.35 grams of uranium enriched to approximately 93 per cent by weight in the isotope uranium-235, contained in a fission chamber type RSN 314.

Section 2. The Agency shall transfer to the Congo and the Congo shall accept from the Agency the material described in Section 1.

Section 3. The terms and conditions of the Contract referred to in Section 1 shall apply, mutatis mutandis, to the transfer specified in Sections 1 and 2.

Section 4. This Supplementary Contract shall enter into force upon signature by or for the Director General of the Agency and by the authorized representatives of the Commission and the Congo.

DONE in triplicate in the English and French languages, the texts in both languages being equally authentic.
