**AGREEMENT TO EXTEND THE AGREEMENT
ESTABLISHING THE ASIAN REGIONAL
CO-OPERATIVE PROJECT ON
FOOD IRRADIATION**

WHEREAS the Agreement of 1980 Establishing the Asian Regional Co-operation Project on Food Irradiation (hereinafter referred to as "the Agreement") within the framework of the Regional Co-operative Agreement for Research, Development and Training Related to Nuclear Science and Technology is due to expire on 28 August 1983; and

WHEREAS the Governments Parties to the Agreement (hereinafter referred to as "the Governments") and the International Atomic Energy Agency (hereinafter referred to as "the Agency") desire to extend the Agreement for a further period of one year in view of its usefulness in enhancing co-ordinated research on, and co-operative activities towards practical application of, food irradiation in the participating countries;

NOW, THEREFORE, the Governments and the Agency hereby agree as follows:

ARTICLE I

Extension of the Agreement

The Agreement shall continue in force for a further period of one year with effect from 28 August 1983. Unless otherwise agreed, all arrangements made in implementation of the Agreement shall continue in force during the extended period.

ARTICLE II

Entry into force

1. Any Government Party to the Agreement may become a Party to this Extension Agreement by notifying its acceptance thereof to the Director General of the Agency.
2. This Extension Agreement shall enter into force on the date of receipt by the Director General of the Agency of notifications of acceptance from one Donor Government and two Participating Governments. With respect to each Government accepting the Agreement thereafter, it shall enter into force on the date of receipt by the Director General of the Agency of the notification of such acceptance.
