**LETTER FROM THE DEPUTY DIRECTOR GENERAL FOR ADMINISTRATION
TO THE RESIDENT REPRESENTATIVE OF IRAQ**

28 April 1989

Dear Ambassador,

Thank you for your letter of 14 April 1989, in which you request the early submission of the statement of the conclusions of the Agency's recent inspection of Iraq's nuclear facilities.

The Department of Safeguards sent you, on 21 April 1989, a detailed statement of these conclusions. In this statement, based upon the data collected between June 1988 and March 1989, the conclusion was reached that all material under safeguards has been accounted for.
